## Antioch at Ela Friday; Glenbrook Here Next; Palatine Wins 52-49

### Antioch Injuries Prevent Team Hitting Stride in Conference Play

With Art Hanke recovering enough from a sprained ankle so that he will be able to play in both games, the Antioch Sequoits will battle with full strength against Ela-Vernon at Lake Zurich Friday night and Glenbrook here Saturday night.

Hanke was injured last Thursday night and was able to play but a short time in the Friday game against Palatine in which the Sequoits went down to defeat 53-49. "We haven't yet got into stride, but when we do, look out," said Coach Larry Leon of his squad which has won but one conference game so far.

Lack of good rebounding was one shortcoming in the Palatine game. The Sequoits only got 46 shots at the basket all evening, which is not enough to make points and win games.

The Sequoits spotted the invading Pirates 9 points while going scoreless in the first four minutes of play, and this was enough to beat them although they battled to a 27-24 score at halftime and were even ahead 33-31 in the third period. The Pirates entered the fourth period ahead 39-37, and gain a slight edge 13-12 in the closing eight minutes.

Herbst led in the Antioch scoring with 16 points and Jerry Huml added 12. Lynn Bolton relieved Hanke throughout most of the game. High scorers for Palatine were Roy (continued on page 8)

## Unit System Planners Get Encouragement at Emmons School Talk

Finance and Boundaries groups of the Unit Fact Finding Committee will go ahead with new enthusiasm as the result of the committee meeting Monday at the Emmons school at which Robert Cole, executive secretary of the Illinois Association of School Boards spoke.

Legislation is in the making which will permit an additional five per cent bonding power over and above present indebtedness. Cole advised too, that short term issues will also aid in the situation.

The sub-committees will meet again in February after having made their additional studies and it is expected that by that time the legislation will have indicated its intentions on relief measures and action can be formulated.

Thirty-five members and interested persons were present at the meeting Monday at which Robert Emmons presided and Mrs. Clarence Olson served as secretary. Most of the schools in Antioch township who are looking toward formation of the unit system were represented.

## Wilmot, Salem Central Both Lost Last Week By Very Close Scores

Neighboring Wisconsin high school basketball teams had a rough weekend.

Wilmot lost to Elkhorn Friday 64-60 in what was considered an upset.

At the same time Salem Central fell before the red hot shooting of Port Washington, 59-56. Wilmot tomorrow night will play at Burlington who has a 3 to 0 record by beating Whitewater last week 62-55. The Panthers now have a 1-2 record and their victors, the Elkhorn Elks a 2-1 standing.

Roger Van Scotter was high point man for the Elks with 24 points and Ed Skora and Don Timmer for the Panthers with 18 and 17 respectively. Roger Allen hit for seven baskets and one free throw for 15 points.

Wilmot led at the half 36 to 29, but had a sorry third quarter in which they were outscored 23 to 12. The two teams played on even terms in the final quarter.

The Salem Central-Port Washington game was a nip and tuck affair. The Falcons held a 16-15 lead at the end of the first quarter, but trailed 28-27 at the half.

Like the Panthers they had a bad third quarter and while they won the final quarter 13-12 they were unable to overcome the 3-point lead of their opponents.

Ralph Myers set a new ballhawking record for Central when he stole the ball nine times.

## R. T. Taillon, Chicago, Will Address K. of C.

As a part of a membership campaign, 100 Catholic men and boys of St. Peter's of Antioch, and Prince of Peace Parish, Lake Villa, have been invited to a social meeting of the Knights of Columbus at 8:15 p.m. Tuesday in the American Legion home.

Ronald T. Taillon, Chicago, state general program chairman of the order, will be present and give a talk on the history of Knights of Columbus. Light refreshments will be served.

John L. Horan, grand knight announced that St. Peter's Council now has a membership of 66.

## Antioch and Lake Villa Corn Farmers Approve Soil Bank Plan 25-2

### County Vote 173 to 33, As Few of Area's Farmers Go to the Polls

Antioch and Lake Villa corn farmers casting their ballots at the Lake Villa Village hall yesterday voted 25 to 2 in favor of the base acreage with soil bank plan over acreage allotments in the price support referendum.

The county-wide vote was 173 to 33.

Only 217 of the more than 1,300 farmers voted in the referendum which saw the Farm Bureau as a member of the Illinois Agricultural Association favoring the soil bank, or No. 1 plan over the acreage allotment plan which was favored by the Farmers Union, an organization in Illinois that has no members in Lake County.

Farm Advisor Ray T. Nicholas said that regardless of which way the vote went there would be little difference in the profits of the corn raisers next year. After that Secretary of Agriculture Benson would under the No. 1 plan have the power to set the support price and it is at this point where the two farmer groups disagreed, the Farmers Union fearing low supports.

The Farm Bureau leaders believe that by allowing the price to be set on the consumer demand basis, there will be less surplus and therefore a natural condition, but that if the supports are high, the surplus will be correspondingly greater leading to disaster.

Should the nation turn in an 83.8 ratio for No. 1 over No. 2 plan, as has Lake County, the two-thirds approval necessary is assured.

## Large Crowd Attends High School Concert

An audience estimated at about 600 attend the concert and reception presented by the Antioch Township High School music department.

The audience, which included many family groups, joined in singing Christmas carols and a number of the more expert singers sang with the High School chorus on the "Hallelujah Chorus."

Most of the people attending the concert attend the reception where they had cookies and punch. Refreshments at the reception were served by young ladies from the pep band who were dressed in formals.

The reception was organized by the high school music association with Mrs. Clark Wetterberg in charge. The music department expressed appreciation to all who attended the concert and especially to the many parents who helped make the reception a success.

## 300 Antioch Phones Useless When Digger Severs Buried Cable

Approximately 300 telephones in down town Antioch were put out of use early Tuesday afternoon when a cable at the rear of the village hall was severed by workmen uncovering a drain tile.

The drain at the hall became stopped up and it was while a ditching machine was in operation that the telephone cable was struck.

An emergency crew worked the rest of the afternoon and much of the night in making repairs and by today service was restored.

Places affected by the break were on the east side of Main st.

**Harolds Gets New Equipment**  
Harold's restaurant, 904 Main St. was transformed into a beautiful new place over the weekend through installation of new equipment. Pastel shades with equipment of modern design make the interior equally attractive in the day time as at night. Greater privacy is afforded to the private tables at the rear under the new arrangement.

## Richmond Bank Bandit Caught in Oklahoma is Chicago Honor Student

### Wild Spending of Loot Was Means of Finding John Robert Wagner, 18

The fact that employees of the Richmond State bank noticed a scar on the chin of the bandit who robbed the bank of \$19,900 last Aug. 29, led to the arrest Saturday of John Robert Wagner, 18, Chicago, who confessed to Oklahoma City police he committed the crime.

Wagner waived extradition and has been brought back to Chicago for appearance in federal court where he has been charged with bank robbery.

The youth was a high honor student at Lane Technical High school in Chicago and was a freshman at Massachusetts Institute of Technology when because of low grades he left school on November 26.

In an attempt to learn of his whereabouts the description noting the scar on his chin caused the F.B.I. to match descriptions and identify him as the robber.

Wagner was still living on the money he had stolen and this made possible his apprehension in Oklahoma City where he in a few days spent \$1,800 on women and \$1,800 to soup up a \$3,500 convertible. He still had \$4,575 in his possession.

The Chicago youth said he only meant to steal enough money to pay his first year's schooling at M.I.T., but was overwhelmed by the large amount and his lavish spending was his undoing as a good student in college.

He said he wore no mask at Richmond to give the bank officials a (continued on page 5)

## D. V. Sargol Installed Master of A.F. & A.M.

Donald V. Sargol, Petite Lake, was installed as master of Sequoit Lodge 827 Ancient Free and Accepted Masons in rites Saturday evening at the Masonic temple. He succeeds Robert Pincombe.

Installed at the same time were: Clarence Larson, senior warden; Wayne Polsgrove, junior warden; Charles Maplethorpe, treasurer; John Gaa, secretary; Jack Stieber, senior deacon; Harold Wilson, junior deacon; Edward Hofkamp, senior steward; Buckley Gillum, junior steward; Arthur Wollpert, chaplain; Robert Pincombe, marshal; and Milton Park, tyler.

Installing officers were John M. Erickine, Chicago, grand deacon, who served as master; Elroy K. Anderson, secretary; Edwin Frost, Aurora, chaplain; and Edward Schippmann, marshal.

Sargol, the new master, was presented a bouquet by Fred Swanson in behalf of the Shrine Consistory of Chicago.

## Lindhurst Ballot Lists 25 Candidates

Twenty-five candidates for village officers will be listed on the ballot to be used at the first election of officers of the new village of Lindhurst Saturday. Polling place will be at the Engle Estate office, and polls will be open from 8 a.m. until 5 p.m. Approximately three hundred voters will be eligible.

Candidates or village president number four and include Fred Belter, Beck Road; Lowell Graves, Briar Lane; Carl M. Larson, Old Elm Road; and Lee R. Lewis, Woodlawn Road.

All candidates for the village clerkpost are women: Jean O. Belter, Beck Road; Evelyn Hay, Briar Lane; and May Belle Hunt, Countryside Lane.

Only two persons have filed for (continued on page 8)

## Soph-Frosh Will Play In Tournament Monday On North Chicago Court

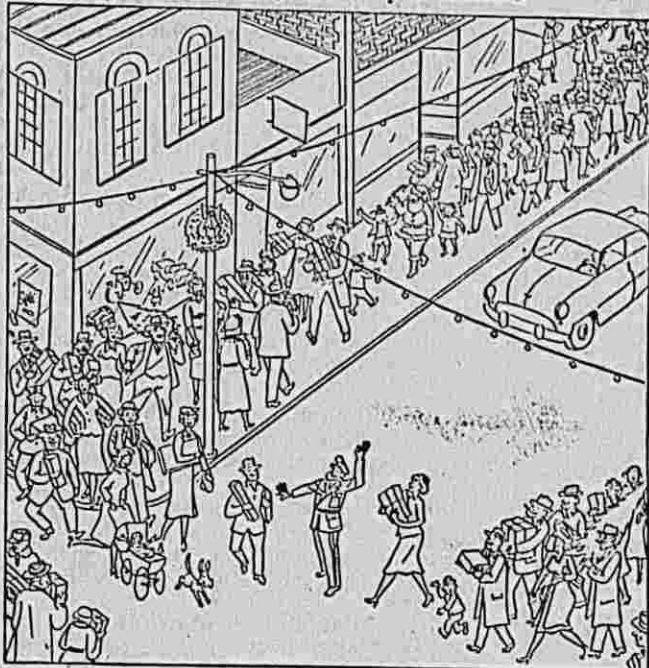

The Antioch High School Soph-Soph basketball team will participate in an invitational tournament next week at North Chicago, playing at Zion-Benton in the first round at 8:45 p.m. on Monday.

The winner of that game will play the winner of the Grayslake-North Chicago game in the same bracket at 8 p.m. on Tuesday. The final game will be at 8:15 p.m. Wednesday with a third-place contest as a preliminary.

Other games scheduled are Waukegan vs. Ela-Vernon at 4:45 Monday; and Grant vs. Libertyville at 5:30 p.m. Monday.

Losers in these games will play the run-off in the same fashion.

## Shop Early... Shop At Home

## Home Show, Special Sale on Feb. 11 and 12 Planned by Antioch Chamber of Commerce

### "Fantasia in Snow" Theme of A.T.H.S. Senior Formal Dance

"Fantasia in Snow" is the theme selected for this year's Christmas formal sponsored by the class of the Antioch Township High school. The dance will be given at the school gymnasium at 8:30 p.m. Saturday, Dec. 22.

Five girls have been nominated for the title of queen. They are Lynn Gray, Mary Shepard, Sue Kopack, Arlene Carardi, and Joan Mair. Their escorts will be King, Francis Dörner, Kenneth Anderson, Sid Parker, William Barnstable, and Roger Plechaty.

Highlighting the evening will be the announcement and the crowning of the queen.

Music will be provided by Victor Paris's orchestra. The event is public.

## Hunt Car Owner Who Damaged Farm Fence

Kenosha sheriff's deputies are tracing the ownership of a car which broke down a fence on the Gilbert Haisma farm south of Salem on Rte. 83 Sunday.

The Haismas were surprised to see an automobile crossing their pasture in which stock were feeding and then leave the farm through a lane, but had presence of mind to note the number of the Illinois license.

They investigated and found that the car had skidded off the highway and after plowing through the fence continued without an apparent stop across the field to the exit.

Mr. Haisma was told the license was issued to a young man by the name of Barney Barnstable.

## Dr. Kopriva President Of Antioch Lions Club

Dr. James W. Kopriva will head the Antioch Lions club next year as president.

He and a staff of officers were chosen at a dinner meeting of the club Monday evening at Smart's Country House.

The other officers are Albert Dittman, first vice-president; Robert Jensen, second vice-president; Everett Oftedahl, third vice-president; John Hojem, secretary; Elmer Eberman, treasurer; Raymond Bruhn, tall twister; Don Francisco, Sr., Lion tamer; Dan Lightsey and Myrus Nelson, directors for two years; Roger Drije and Art Smejkal, directors for one year.

New members inducted at this meeting are: Preston J. Reckers, Jr., H. E. Shepard, John Blackman, John Fields and Robert Andrews. The date of installation of the new officers will be announced later.

"Not what you give, But what you share, For the gift Without the giver is bare."

## Christmas Enthusiasm Hits Peak as Show Adds to Decorations

### Organizations Plan Programs; Holiday Trade Gathers Momentum

Christmas is in the air. A snowfall that provided a Christmas-like scenery — beautiful decorations both on the street in shop windows, and gradually appearing on houses and lawns—all have combined to set the stage for the Christmas atmosphere.

Churches and lodges are planning programs and parties for the children; adult organizations are in the midst of the holiday social events and for the next ten days there will be a mad rush to prepare for the eventful day.

Added to the decorations of downtown Antioch has been the sleigh and reindeer of the Chamber of Commerce float which now are perched on the roof of the National Tea Food store on Main st.

The tree from the float has been placed atop the D-X filling station. The Moose lodge and its Auxiliary continued to remind residents of the prizes that are being awarded for the best exterior decorations. Some nice ones already have been put up.

Business at the post office already is on the increase as Christmas gifts and cards begin to arrive. Extra space will be needed to handle the big rush.

Some business places opened at night this week, but the official beginning of night service will start Saturday. Thereafter until Saturday, Dec. 22, the stores will be open until 9 p.m.

The Antioch stores have an excellent line of wares this year and Antioch area residents will be wise to seek their wants at home first. There is a wide variety to choose from here.

## Grass L. Board Meets Monday to Set Date For \$76,000 Bond Vote

The Grass Lake board of education will decide Monday evening on a date for the referendum in which a \$76,000 bond issue will be sought to construct a four-room addition to the present school. Jan. 12 is considered.

The amount of the bond issue is lower by \$19,000 than that previously asked in the referendum that saw its defeat by two votes.

Wayne B. Barker, president, said that Atty. Ted C. Larson is preparing plans for a bond issue that would be retired in 11 years. "If the issue is voted, an architect will be instructed to draw plans for the four-room addition with English-type basement that can be used as an assembly room and cafeteria."

Open competitive bidding on all contracts will be adhered to, Atty. Larson said.

The new board, elected June 12, has conferred with Supt. of Schools W. C. Petty, interviewed other boards engaged in building construction as to their experience, and sought advice financially from Bruce Trester, executive secretary of the Lake County Civic League.

## Scouts Down Elgin; Lose to Wauconda; Play McHenry Sunday

(By Nick Ryan)  
The Antioch Scouts bounced back from a 77-72 defeat at the hands of Wauconda here Thursday night and defeated a strong Elgin team 71 to 60 here Monday night.

The Wauconda team, behind throughout most of the game overpowered the Scouts in a fourth period drive. The Antioch team led at the end of the first quarter 21-19 and added another point to their margin, 30-35 at the half's end. Both teams had poor shooting percentages throughout the greater part of the game. The Scouts pulled in front by a 5-point edge to end the third period, 58-53. Late in the fourth quarter the visiting Tigers poured 11 consecutive points through the hoop. They led at one time by 8 points. The Scouts fought to within 3 points just before the game's end. It was the Tiger's fourth straight win.

Tom Bushwell led the visitors with 19 points and Bill Olsinski scored 13. The Tiger line-up included several former Wauconda High stars including Bob Nolan.

## FAIRNESS TO THE SELF-EMPLOYED

"The Jenkins-Keogh proposal is the essence of free enterprise and self-reliance," said the president of the American Bar Association. This strongly-backed, proposed federal law would allow a self-employed person to deduct from his gross income each year a limited amount of earned income contributed by him to a restricted retirement fund, or paid in as premiums to purchase a restricted retirement annuity contract. Not more than \$5,000 a year or \$100,000 in a lifetime could be thus deducted.

The reason for the measure is that present-day taxes and living costs make it difficult and, in some cases, virtually impossible for self-employed people to create an old-age retirement fund out of current income. There are some 10 million citizens in that boat—lawyers, doctors, farmers, small businessmen, and so on. They are in an entirely different position than those who work for others and can participate in employee pension plans, which are deemed a business expense and constitute a tax deduction for the employer.

Leading spokesmen for both the parties have endorsed the underlying principle of the Jenkins-Keogh bill. The Secretary of the Treasury has granted that present revenue laws are unfair to the self-employed. The measure is supported by many newspapers and other voices of opinion. The hope is that this or a similar measure will gain well-merited approval in the next Congress.

## A PART OF CHRISTMAS

Holly branches are part of the Christmas scene. Even before there was a Christmas the ancient Romans found that the shiny, prickly green leaves and red berries of the holly tree were ideal as festive adornment for the halls where they celebrated their feasts, of Saturnalia.

Holly came to be considered sacred by many because its beauty was greatest at a time when most other trees were barren. Evil spirits and witches hold powerful sway in the legends and folklore of all peoples and they account for holly's present position as a doorway decoration. It was placed over entryways and windows in the belief that its thorns would ward off these unwanted visitors. Regardless of legendary spirits, one thing is sure, Christmas holly is here to stay as an expression of the friendliness, good will and joy of the season.

## A LIVING THING

We hear much of racial discords and injustices. We should hear more of the opportunities this country offers to people of diverse colors, creeds, and nationalities.

The other day a Hindu, born in India, was elect-

ed to Congress. One may approve or disapprove of his particular partisan allegiance and his views on government. But what the Chinese World, published in San Francisco, said of this occurrence is of much greater importance: "In the United States any loyal citizen who devotes himself to public service has an equal chance with other Americans to attain public office." It added that the new Congressman is making a trip to India "... to inform the peoples of Asia that in America democracy is a living, active thing, and not just a theoretical device to serve propaganda purposes."

## WHERE THE EXPERTS AGREE

"A phenomenon of these Mid-20th Century years is the publication of a series of searching studies on future energy needs of the United States and the world," reports the National Coal Association. "A startling characteristic common to all of these forecasts is the unanimity on the higher annual production of coal that will be required to meet future total energy needs of the United States in the next quarter century."

The forecasting groups include the President's Materials Policy Commission, the Panel on the Impact of the Peaceful Uses of Atomic Energy, and the U. S. Bureau of Mines. The gist of their findings is that by 1975 annual output will be higher than in any year the coal industry has so far known, and will continue to rise.

This may seem odd to those who have been led to believe that atomic energy will make all other sources of energy obsolete. That belief is not held by the scientists and other experts involved. They feel that the atom will be just another important energy source—and that every source, coal included, will have to be used to the fullest extent in a nation and a world whose energy hunger will be all but insatiable.

## GRASSROOTS OPINION

BARRE, MASS., GAZETTE: "A contribution to Salvation Army is as personal as a helping hand to your neighbor."

DRESDEN, O., TRANSCRIPT: "For a long time a lot of us thought there was some magical way by which the government could take care of everything for us. As we look at other peoples who have embraced this same socialistic philosophy we now know that as we lean upon the government, in like measure we lose our personal liberty."

ABILENE, KAN., DAILY REFLECTOR-CHRONICLE: "A survey recently conducted by the New York Stock Exchange ... which covers the period from 1934 to the present, shows that in investment circles peace is regarded as a more favorable condition than war ... The survey reflects a conclusion that most sensible men must have reached in recent years. It is this, that in industry as well as in human life generally, modern war brings untold disruption and chaos."

CLANTON, ALA., NEWS: "If you are the parent of a teen-age driver you owe it to yourself to drive out ... and look at the highway where they scratch-off on their death-defying trip back to town. ... Be sure to note the long skid marks along the highway where a 'chicken' had to give in for an on-coming car. After all this, when you get back to town you'll say 'my boy couldn't be doing that.' Well, we just hope you can keep feeling that way when the sad news comes."

## Health Talk

## Odorless Gas Insidious Killer.

With cold weather comes one of the most vicious threats to human life—carbon monoxide gas poisoning. Because of its odorless, colorless and tasteless qualities, the gas attacks its victims without warning, frequently resulting in death, the Educational Committee of the Illinois State Medical Society observes in Health Talk.

The most common source of carbon monoxide gas is the exhaust from an automobile. In real cold weather, persons are inclined to drive with the windows tightly closed. The exhaust fumes seep into the car where they are inhaled. Because of the odorless, colorless and tasteless characteristics, persons breathing the fumes are unaware of the gas until symptoms develop. These vary, depending on the amount and time of exposure.

The first symptom may be headache, then dizziness, muscular weakness, disturbed memory, loss of consciousness, coma and frequently death. One frightful complication, as the condition progresses, is the inability to move because of muscular weakness even though consciousness remains.

How does this strange gas act chemically? As it is inhaled, the carbon monoxide mixes with the hemoglobin, the oxygen-carrying red pigment of the red corpuscles in the blood. The normal function of red cells to carry oxygen from the lungs throughout the body is essential to good health. When their purpose is impeded by conveying carbon monoxide gas, instead of oxygen, suffocation results.

While carbon monoxide gas poisoning can occur at any time, the condition is more acute in cold weather when there is a tendency to keep windows and doors closed. This is particularly true in garages and homes using improperly work-

ing heating equipment and gas burning appliances.

Whenever coal, wood, oil or any other fuel is burned, carbon monoxide forms. During cold weather, ventilation is likely to be reduced to a minimum. This encourages increased concentrations of the gas to build up. If a person is exposed for a long period of time without detection, death will result. If, however, the victim is found before too long after exposure, fresh air should be admitted and artificial the patient should be taken to a hospital where life-saving techniques are available, and blood transfusions given should they be necessary.

Accidents from carbon monoxide are preventable. Don't drive your car with the windows tightly shut. Keep fresh air coming in to dissipate the fumes. Remember that the insidious characteristics of this killer give you no warning of its presence.

See that fresh air is drifting into your garage should you have the motor running in your car, and into your home should you be using gas heating equipment and appliances. Remember that carbon monoxide gas poisoning is a preventable accident, but one that, through carelessness and inattention, produces severe brain damage and takes numerous lives. Don't be a carbon monoxide statistic!

## ALL THE OTHERS SIMPLY PROVE ...

**The '57 Pontiac is  
America's Number ① Road Car!**

Months ago, Pontiac set its '57 sights on producing an engineering classic—the greatest road car in automotive history! How well did they succeed? One answer is pictured here, the all-new '57 Pontiac itself, a car so advanced in concept that other new cars merely emphasize its outstanding design, its brilliant array of first-time features! The other answer is the public's response to this road-ruling beauty. From every quarter of the nation has come wave after wave of confirming praise! Praise for Pontiac's styling—its crisp, colorful lines and flowing contours that accent beauty built in, not hung on. Praise for new Level-Line Ride, the advanced suspension system that cradles and softens every bump. Praise for Pontiac's ease of handling! Praise for the brisk and accurate response of its all-new Strato-Streak V-8 engine! And underlying this tremendous voice of approval is the confidence felt in a car which has undergone the greatest road test in history . . . Pontiac's grueling 100,000-Mile Marathon Run! Yes, this year it's Pontiac all the way! Come in and see it! Come take the wheel of America's No. 1 Road Car!

IT'S COMPLETELY NEW FROM POWER TO PERSONALITY—COME IN AND SEE IT

# SOCIETY EVENTS

## Miss Martin Is Bride of Philip G. Vos

Miss Jaelynn Martin became the bride of Philip G. Vos in ceremonies Nov. 24 at St. Peter's church in Antioch. The bride is the daughter of Mr. and Mrs. Gordon Martin of Lake Villa and the bridegroom the son of Mr. and Mrs. Roman Vos of Antioch. The Rev. Fr. Johnson read the double ring marriage rites at a 3:30 p. m. ceremony and Miss Rose Ann McGreal was soloist accompanied at the organ by Mrs. A. J. McGreal.

The bride, given in marriage by her father chose for her wedding a pure silk gown with hand chintilly lace mandarin collar and neckline insert, long sleeves and fitted bodice and bouffant skirt with lace which fell into a formal train. Her headpiece of lace, sequins and pearls held her fingerup silk illusion veil. She carried a prayer book with white orchids and lilies of the valley.

Maid of honor Miss Donna Reidel and bridesmaids the Misses Donna and Karen Martin, sisters of the bride and Carole and Nancy Hansen, wore bronze crystallette waltz length gowns with open crown turbans of matching crystallette.

Billy Hansen served as ring bearer. William Vos, was his brother's best man. Ronald Vos, James McMillen, Jr., and Larry Hostetler were ushers.

A reception was held at Norshore Resort, Lake Catherine.

Both Mr. and Mrs. Vos are graduates of the Antioch Township high school. Mr. Vos is employed at W. R. Vos Home Builders, Lake Villa and Mrs. Vos is employed as secretary at Johns-Manville, Waukegan.

## ST. IGNATIUS' AUXILIARY HAS CHRISTMAS PARTY

Twenty-five members of the Ladies Auxiliary of St. Ignatius parish held their annual Christmas party on Wednesday at the residence of Mrs. Ida M. Osmond, on Orchard street.

Mrs. Melvin Stillson, president, was in charge of the evening's program assisted by the regular monthly serving committee, Mrs. Jack Effinger, Mrs. John W. Horan, Mrs. Raymond J. Horan, Mrs. George Bartlett, Mrs. Maurice Radke and Mrs. Lillian Stott.

Exchange of gifts and refreshments were enjoyed by the group.

## MRS. KEULMAN HOSTESS TO PAST MATRONS CLUB

The annual Christmas party of the Eastern Star past Matrons club was held Thursday evening at the home of Mrs. Olive Keulman. Following the bridge games a luncheon was served and gifts exchanged.

## Rainbow Assembly To Have Supper Dec. 17

Members of Antioch Assembly Order of Rainbow for girls plan to hold a 6 o'clock pot-luck supper at the Masonic hall Monday, Dec. 17th. Mothers of the girls are invited to be guests, and a donation will be taken for a needy family instead of the usual gift exchange. Misses Joann Seekatz, Betty Frazier, Peggy Cardiff, Sue Duha and Faye Mann served as guest officers on Friends night at Woodstock Assembly, Wednesday evening, Mrs. Dorothea Farms, Mother Advisor of Antioch Assembly and Mrs. Wilma Gibbs accompanied the girls.

## W. S. C. S. CIRCLES TO HOLD MEETINGS DEC. 19

The various Circles of the Womens Society of Christian Service of the Methodist Church will meet as follows:

Mrs. Wm. Petty, Mrs. Sam Ries and Mrs. Wm. Frey. Circles will meet Wednesday-Dec. 19 at 1 p. m. for dessert luncheon at the home of Mrs. Fred May, Lake St. Gifts for babies will be appreciated.

Mrs. O. R. Kresse, Mrs. Louis Biel, and Mrs. Herman Grenzman Circles will meet Wed. Dec. 19 at 12:30 p. m. for luncheon at the home of Mrs. O. R. Kresse, Linden Lane.

## GRADUATES FROM RECRUIT TRAINING

Richard R. Rogers, son of Mrs. Edna M. Rogers of Route 3, Channel Lake, Antioch, graduated from recruit training Dec. 8 at the Naval Training Center, Great Lakes, Ill. The nine weeks of "boot camp" included drill and instruction in seamanship, gunnery, life saving, sea survival, boat handling and the use of small arms.

Following two weeks leave, graduates report to shipboard duties or service schools depending on the qualifications each has demonstrated.

## MR. AND MRS. LUCAS PURCHASE HOME IN CALIF.

Mr. and Mrs. John Lucas of Long Beach, California, former residents of Antioch have recently purchased a home at 7091 Olive Ave., Long Beach. They will be glad to hear from their Antioch friends.

Mrs. Donald Gaston returned home Sunday after spending several days in Ottawa with her father who underwent surgery Wednesday.

Mr. and Mrs. Philip G. Vos

## Women of the Moose Initiate and Hear Talk On Moose Blood Bank

The Women of the Moose held their initiation meeting Dec. 6 at the Moose home, with 65 members attending.

Initiated at this meeting were nine candidates, Mrs. Ray Lorenz, sponsored by Vinnie Casperson; Mrs. John Beng, sponsored Harriet Grewe; Mrs. Pete Matteoni sponsored Dorothy Ping, Mrs. Harry Hansen sponsored Jane Verkest, Mrs. Jaque Koppen sponsored Jane Meyer, Mrs. Carl Grafflghoff sponsored Harriet Grewe, Mrs. Pete Obermaier sponsored Lorraine Cesar; Florence Keefe sponsored Evelyn Erickson, Mrs. George Babelka sponsored Lorraine Cisar.

William Horton, Jr., Third District vice-president, delivered a talk explaining the function and desirability of a blood bank for the Moose lodge. Charles Weightman, governor of Crystal Lake Loyal Order of Moose also gave a talk on the same subject. The past governor of Crystal Lake attended as a visitor.

A ritual practice will be held at 8 o'clock tonight. Chairmen are urged to attend and co-workers are invited. This is in preparation for the mid-winter conference The Antioch chapter has been designated as the top chapter of this district and Senior Regent Harriet Grewe has been selected to serve as conference leader for the mid-winter conference. This honor was made possible by the fine performance of Jane Meyer, past senior regent, her chairmen and officers at the last year's mid-winter conference.

The next meeting will be held Dec. 20, and it will be a Christmas party.

## Mr. and Mrs. Frozeth Vacationing in Sweden

Mr. and Mrs. Emil Frozeth of Channel Lake, left Wednesday for an extended visit with relatives in Sweden. They were guests of honor at a farewell party given by members of Woodcrest subd. Bunco club, Wednesday evening December 5 at Otto's Steak House. Those in attendance were; Mesdames Irying Veltum, Stephen Ryzko, John Lavin, Helge Bloom, Frank Foulis, Charles Schmitz and Emil H. Linder.

## HIGH SCHOOL BOARD EMPLOYEE PARTY TODAY

The Board-Employee Christmas social of the Antioch High School will be held at 6:45 p. m. Thursday. The party is sponsored by the Board of Education each year for all staff members and their spouses.

The turkey dinner will be followed by a program of singing and gift exchange. Kenneth Smouse, vocal director at the high school, is in charge of the program.

The committee responsible for planning the Christmas activity are: Mrs. Edna Radke, chairman, Mrs. Jeanette Brown, Arthur Andersen, and Kenneth Smouse.

## ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. John Kopach of Lake Catherine announce the engagement of their daughter, Susan to Mr. Robert Banasack, son of Mr. and Mrs. Vincent Banasack of Lake Villa. The wedding date is set for August.

## PLAN OPEN HOUSE FOR SANDY WALDWEILER DEC. 21

Neighbors and friends of Sandy Waldweiler, 13, daughter of Mr. and Mrs. Peter Waldweiler, who was injured July 4, when struck by a train at Fox Lake, are planning a surprise open house from 2 to 5 p. m. Friday, Dec. 21 at the Waldweiler home where she will be at that time. She now is in the hospital learning to walk. Those wishing to send gifts of any kind may get in touch with either Mrs. Lucille Babe, Mrs. Elsie Steitz, or Mrs. Dorothy Mazuca, committee in charge of the event.

Miss. Susan Kopach

## Scout News

Twenty-three women from the Lakeside Council area recently finished an 18-hour Group Leadership course under the direction of Mrs. Eugene Erickson, Training Chairman, assisted by Mrs. Harold Spinney, Program Chairman, both of Round Lake. Part of the training included an outdoor cookout, and on the last night an Investiture ceremony for these new leaders.

Those attending the course from Gages Lake included Mrs. Chris Popoff, Mrs. Francis Illian, Mrs. Charles Yingling, Mrs. E. R. Knowles, Mrs. Ralph Florio, Mrs. G. Atkinson, Mrs. Robert Borman, and Mrs. Arthur Rasmussen. Of Grayslake were Mrs. Gail Wurth, Mrs. George Miller, Mrs. I. Hughes, Mrs. Jack Richardson, Mrs. Kenneth Rule, Mrs. Robert Friis, Mrs. William Sangbausch, Mrs. William Siemon and Mrs. Clyde Wendt. Representing Antioch were Mrs. Willis Filiatreault and Mrs. B. Mitchell, and from Round Lake, Mrs. William Clayburn, Mrs. Russel Smith, Mrs. Stanford Sherman and Mrs. Victor Maymon.

Girl Scout troop No. 5, Antioch, has just completed their Christmas gifts to their homes.

On Thursday, Dec. 13th troop No. 5 will hold their Christmas party. Leaders are planning a surprise for the girls.

Girl Scout troop, No. 58, Emmons School held their Christmas party on Tuesday, Dec. 11th. The girls arranged a candy-pull and popcorn party. Pop was donated by Mrs. A. Wollpert, Asst. Leader. There was Christmas music for dancing and the girls sang carols. Followed by a gift exchange.

On Tuesday Dec. 18th the Girls of troop No. 58 are planning to carol at the homes of various shut-ins in the neighborhood. This will be the last meeting of troop No. 58 until the New Year.

## Lakeside Rebekah Lodge Elects Officers

Lakeside Rebekah Lodge No. 82 I. O. O. F. held election officers at a meeting held at the hall December 5. Mrs. Undine Perkins was chosen Noble Grand, other officers elected were: vice grand, Mrs. Millicent McCauley; Secretary, Mrs. Clare Horton; finance chairman, Mrs. Mary Ellis; treasurer, Maud L. Johnson; staff, captain, Hortense Gordon; trustees, Deborah Van Patten; chairman, Frieda Wertz, Sophia Hennings, Carolyn Horan, and Ida Osmond. A certificate from Dorothy Keusrop, president of the Rebekah State Assembly, was read, where in she commissioned Maud L. Johnson as Lodge Deputy President of Lakeside Lodge for the coming year. Following the business meeting a sack lunch was enjoyed. Noble Grand Bernice Clark donated and served cake to the group. The annual Christmas party of the lodge will be held at its next meeting December 19. Everyone requested to bring a gift for exchange. Mrs. Perkins, the newly elected president recently attended a Deputy school for Deputies and newly elected presidents at the Waukegan hall.

The players are, left to right, Art Hanke and Jerry Huml, forwards; Dick Behrens guard; (Coach Leon), Lonnie Christensen, guard; and Wayne Herbst, center.

## Richmond Bank Bandit..

(continued from page 1)

sporting chance to catch him. He said that he intended only the one robbery and felt that no one would ever suspect him as the robber. He returned the stolen car in which he made his getaway to the community in which the owner lived, wiped off traces of finger prints and then wrote a note to the owner, slipping it under his garage door, telling where the car could be found.

The father of the youth, Albert Wagner, is a personal bailiff to Superior Court Judge John V. McCormick in Chicago. The elder Mr. Wagner said he was glad his son was caught, otherwise he might have gone to Mexico and fared worse.

The mother said her son had an inferiority complex as the result of the scar which she said he received as the result of a dog bite inflicted when he was two years old and while he was visiting at Ashland, Wis.

The money recovered will be returned to the bank and insurance will cover the amount lacking.

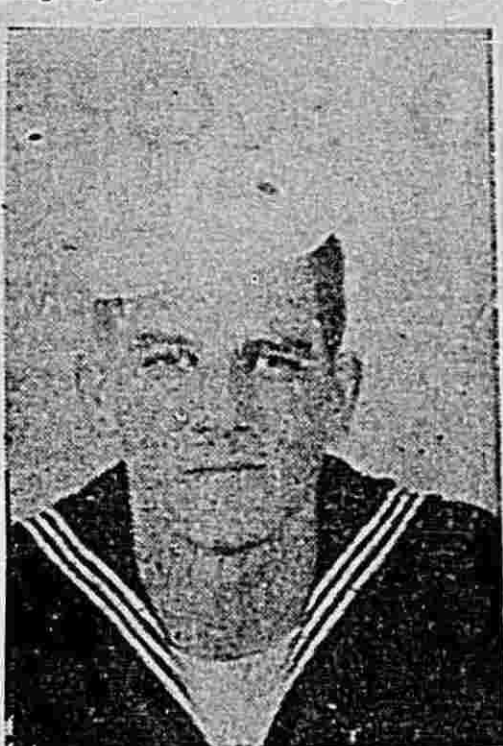

## Sincere Thanks

We are deeply grateful for the beautiful flowers and for the many acts of kindness and sympathy shown during our recent bereavement.

The Lillian Quilty Family

PAUL A. CLAESSEN  
APPOINTED ATHLETIC  
PETTY OFFICER

Paul D. Claesson, son of Mr. and Mrs. Paul A. Claesson of Route 3, Channel Lake, Antioch, was appointed athletic petty officer of his company while undergoing recruit

training at the Great Lakes Naval Training Center.

As a recruit petty officer he wore a miniature rating insignia as a badge of authority during most of his nine weeks of "Boot Camp."

He was chosen for the position in recognition of leadership qualities displayed while in recruit training. He was graduated Dec. 8.

## Wilmot

Mrs. Herman Frank, Correspondent  
Tel. Trevor 2752

The Lutheran Congregation at Wilmot, Wis., had its beginning in the fall of 1866. Pastor Steerkel of Slades Corners came to gather the people together. The church consisted of a small group with nine charter members. Herman Wald, Anton Sherf, John Hasselman, William Schmidt, Carl Gauger, Andrew Weihrach, Joachim Bernheeff, Fredrich Pagel and Bernhard Riese, John Keebler joined in 1867.

The first church council members were Herman Wald, Carl Gauger and Joachim Bernheeff. Three or four years after the organization a house and lot were purchased from a Mr. Schumacher. This property is the one upon which the church has stood for ninety years. The house was rebuilt to serve as a church at the cost of \$500.00.

The pastor at Slades Corners served a number of congregations. An arrangement was made to have the Lutheran minister of Burlington serve at Wilmot. Rev. Schug served from 1868-1873. Rev. Thiele 1873-1874. Pastor J. J. Meyer of Slades Corners, 1874-1875. Pastor Eckelmann 1875-1878. During the 80's a Pastor C. Titze, who had severed relations with the Wis. Synod and persuaded the Congregation to make him their pastor. Several members protested and thus a division of the small group appeared with Pastor Goldammer as pastor of the opposition, this remained for about 30 years. One church was called the German Evangelical Lutheran church, the other Evangelical Lutheran St. Peters church.

On January 10, 1909 the two churches joined to form the present Evangelical Lutheran Peace church.

During 1909 erection of a new parsonage was begun. Total cost of land and buildings was \$2,030. Mr. George Schmalfeldt of Silver Lake, Wis. was the Contractor.

1916 the 50th anniversary of the church, electric lights were installed, the altar niche, trustees room and the Sacristy were added to the building, a furnace was installed, Art glass windows donated. The building work was done by August Himmelman of Twin Lakes, Wis., Carl Rieman. A new reed organ was a gift of the young People Society.

Peace Church Messenger a parish paper was founded in 1927 and a pipe organ procured.

January 14, 1931 fire severely damaged the parsonage and it was redone by Mr. George Schmalfeldt, Silver Lake. 1936 Oct. 19: Death of Pastor S. A. Jelele who had served from Dec. 1908. Upon the death of this faithful shepherd and spiritual guide, Pastor H. Diehl of Lake Geneva was asked to serve as vacancy pastor until a new man should be called. Pastor Diehl with the assistance of Professors Wendland and Meyer carried on the pastoral work until April 16, 1939 when Pastor R. P. Otto was installed. The following is a brief summary of what has happened from 1939 until the present:

1941-75th Anniversary of the congregation. Church redecorated, new lighting fixtures.

1942-Parking lot was purchased. This property has become the site of our new church.

1946-A new oil burner and boiler were installed in the parsonage.

1947-Vacation Bible school instituted with 23 scholars. Last summer there were 70-80.

1947-Permission was sought and granted to start services in Antioch.

1948-Services begun in the Antioch Legion Hall. Easter Sunday, March 28th.

1950-Synod Centennial observance together with sister congregations in Lake Geneva High School.

1950-First suggestions of a building program.

1951-Faith Church, Antioch, the daughter congregation, organized. This was made possible when 61 communicants were granted transfers.

1954-In the annual meeting the resolution was adopted to build a new church. The desire to do this was prompted to some extent by the bequest of the late Anna B. Hasselman. The congregation realized almost \$10,000. through this bequest.

1955-July 17th Ground breaking ceremonies to the new church building.

1856-January 29th the Cornerstone was laid. Pastor Charles Found was the guest speaker.

The new church is contemporary design constructed of finest materials available for beauty and permanence. The building is 110 feet long by 31 feet wide at the nave. The walls are of masonry: Lightweight

## Mailman Converts His Truck to Righthand Drive

This mail delivery truck now in use by Frank Mattis, carrier of Rte. 1 out of Trevor, Wis., is different in that Mattis has changed it to a right hand drive so that he can easily reach the mail boxes from the driver's seat. Mrs. Florence Dexter, postmaster, shown here with Mattis, thinks the idea a good one and plans to have the picture sent to the Postal Service News in hope that Uncle Sam will recommend this type of mail conveyance for rural carriers. Make from a jeep station wagon, this truck is painted red, white and blue and is easily discernible on the highway.

blocks inside and stone and brick outside. The main feature of the outside is the large arches which rises from the ground and reaches to the ridge of the roof.

The main floor is of reinforced concrete construction and is finished in asphalt tiles and carpeting. The roof which is supported by laminated beams is of cedar planking almost four inches thick. The stained glass windows in the chancel and above the narthex were brought from the old church and renovated to fit in the new. The bell was moved from the old church it was made in 1900 with the inscription on "Glory To God In The Highest." The interior trim and also the chancel furniture is of oak. The pews, especially chosen for our house of worship, are of elm. The pipe organ, which is to help beautify our services, is housed behind the dorsal curtain. The basement of the church forms a fine assembly hall and educational room. It is well suited to any parish activities and also includes the boiler room and kitchen.

### Acknowledgements

To the members of the church council and building committee, who sacrificed of their time, thought, and effort. The members, who served in this capacity were: Earl Elfers, Adolph Fiegel, Rodelle Harms, Arthur Holtdorf, Andrew Kisner, Lyle Mecklenburg, Louis Rausch, Fred Rieman, Eldon Schenning, Marlin Schnurr, Lloyd Stoen, Albert Wickland and Floyd Zarnstorff. ## Hints For Christmas Mailing

Hundreds of thousands of Christmas cards and packages will be lost this year because of illegibly written addresses. Servicemen a disappointed army whose mail goes astray, because, as a national magazine recently stated, we have become a "nation of scrawlers."

Yet a few simple rules and just a little attention to it will im-  
prove anybody's  
handwriting im-  
mediately, says  
the Handwriting  
Foundation in a  
special appeal  
aimed at cutting  
down losses.

All addresses,  
says the Founda-  
tion, should be  
written in at least  
three well-spaced  
lines, with zone  
numbers includ-  
ed. This goes for  
the return address as well. Take special care with the "tricky"  
letters and numbers shown on the chart.

Your signature, on greeting and gift cards, should be legible. Include the last name when identification might otherwise be in doubt. If it's a family card, make the children part of the greet-  
ing, and let them sign the card, too.

For far away friends and relatives, add a short note—a few words of greeting and maybe a promise of a longer letter soon. A New Year's card is appropriate for friends you've forgotten at Christmas. And never give money gifts to the postman, milkman and others without at least the personal touch of your signature.

You don't have to be an artist to decorate a card or gift package. A pen and colored inks (try red and green for Christmas) is all you need. A tree in outline, some stars, a few heavy dots . . . and you've drawn your own Christmas spirit. Another personal touch is a note in an envelope attached to the outside of a gift package.

As for next year's greeting card and gift list, compile it now. Write each name on a separate index card, and alphabetize them in a file box to simplify additions and changes. Or keep a booklet, with blank pages between names for newcomers. Such a list prevents embarrassing duplication or omission at card-sending time. And always remember, concludes the Handwriting Foundation, that the written message is part of the Christmas spirit. Be sure to make the message legible.

## WATCH OUT FOR TRICKY LETTERS

Never close these loops: e l f

Never loop non-looped strokes: t i d

Always close letters like: a g d

## WATCH OUT FOR "LOOK-ALIKE" NUMBERS

1-7

CHRISTMAS  
BULLETIN!

Antioch's new Aqua Center is offering  
season tickets for those folks who wish to give  
"SOMETHING SPECIAL" for Christmas.

Season tickets for yourselves, your children, your grand-  
children -- your brothers, sisters, uncles, aunts, nephews, nieces,  
cousins and friends will serve as a unique answer to your Christ-  
mas problems. They are exceptional investments in good health  
and happiness.

## Schedule of Prices for Season Tickets

Family Tickets for Parents and two children ..... \$20.00  
For each additional child ..... 2.00  
Individual Tickets ..... 10.00

A Christmas Greeting card will be sent with each ticket if desired.

Tickets may be obtained at the  
**STATE BANK OF ANTIOCH**  
**ANTIOCH NEWS**

Or you may send your check direct to the—  
**ANTIOCH LIONS CLUB COMMUNITY SERVICE CORP., P.  
O. Box 72.**

Winged Performance and a Floating Ride make  
The Big M the road-hungriest car ever built

**BIGGEST SIZE INCREASE IN THE INDUSTRY**—Mercury is now over 17½ feet long, more than 6½ feet wide. Wheelbase is a big 122 inches.  
Inside there are inches more headroom, leg room—as much shoulder room, for example, as in many of the most expensive cars.

## 3-WAY POWER CHOICE

**New 290-hp Turnpike Cruiser V-8**—Wait till you feel its silk-and-dynamite performance! Optional on all Montclairs and Montneys.

**New 255-hp Safety-Surge V-8 with Power-Booster Fan**—A Mercury "first" in the Montclair Series. The engine fan coasts when not needed for cooling. You save horsepower other cars waste, enjoy a far quieter ride.

**New 255-hp Safety-Surge V-8**—Dream-car performance in the Monterey Series—Mercury's lowest priced line! Features another Mercury "first" which you get at no extra cost on all BIC M engines for '57—a Thermo-matic Carburetor. It automatically controls the tempera-  
ture of the air the engine breathes—helps keep it uniform summer and winter. Engine starting is easier, usable power and economy are increased.

## YEAR'S MOST IMPORTANT RIDE IMPROVEMENTS

**Exclusive Full-Cushion Shock Absorbers**—One of Mercury's great Floating Ride features. The first shock absorbers in the industry to give such amazing bump-smoothing control on rough roads without sacrificing a soft, satin-smooth ride on average roads.

**New Swept-back Ball-Joint Front Suspension**—Mercury intro-  
duces a new improved version of its famous suspension system. Because of the new swept-back design, the front wheels are now, in effect, pulled gently over bumps, rather than pushed into them.

**New balanced weight distribution** greatly reduces nose dipping on sudden stops and lurching on fast starts.

**New road-hugging center of gravity**—Everything is lower. Car height, passenger compartment, frame, and rear axle. You enjoy an amazing sense of "nailed-down" stability on curves.

You've got to feel Mercury's new Floating Ride to believe it. We invite you to do just that, today, at our showroom.

STRAIGHT OUT OF TOMORROW

# Scouts Down Elgin.....

(continued from page 1)

Tom Nolan, Gene Jaskot, and Hal Bass.

Al Reckers was high for the Scouts with 27 points and Bill Baird scored 18. Larry Lass and Jerry Quilty tallied 8 points each while Davis and Balistreri got 5 apiece. It was the first loss of the season for Don Chiapetti's Scouts. They had previously defeated Cary 76-73 in an overtime.

In their third game of the season the Antioch Scouts scored a big upset as they tripped the powerful Elgin Morisons, 71-66. It was the Scouts' second win against one loss.

The Scouts held a first quarter lead of 15-13 over the talent loaded Elgin squad. The visiting Elgin team started to roll over the Scouts in the second period as they pushed to a 34-24 halftime lead.

In the third quarter the Scouts started to find the range and picked up 5 points on the Morisons and ended the period with Elgin still ahead, 48-43.

Then came the fourth quarter and a big break for the Scouts when Bob Peterson, giant center and former University of Illinois star, committed his fifth foul. The Scouts dug in and struggled back to tie the score with little more than two minutes left in the game. A full court press shattered the Morisons as the Scouts went ahead to stay. Scouts and Elgin tempers flared late in the game and showed the tenseness of the game. The Scouts ended on the best end of a 71-66 score.

It was the Morison's first loss in games. Bob Peterson led the Elgin men with 20 points. He also commanded both backboards. Gary Smith, a guard on the Elgin High team of 1954-55, second in the State tourney, scored 14 points.

Al Reckers again led the Scouts with 25 points while Bill Baird and Jerry Quilty netted 14 and 12 points respectively. Chuck Davis got 4 goals in the big fourth period.

Don Chiapetta has announced that the Scouts will play a game at McHenry at 8 p. m. Sunday, Dec. 16, at the high school gym, and a rematch with Elgin Monday, Dec. 17, at the Antioch High School gym.

# Antioch at Ela Friday....

(Continued from page 1)

Hahnfeldt, 16; Bruce Cane, 13; and Terry Moore, 10.

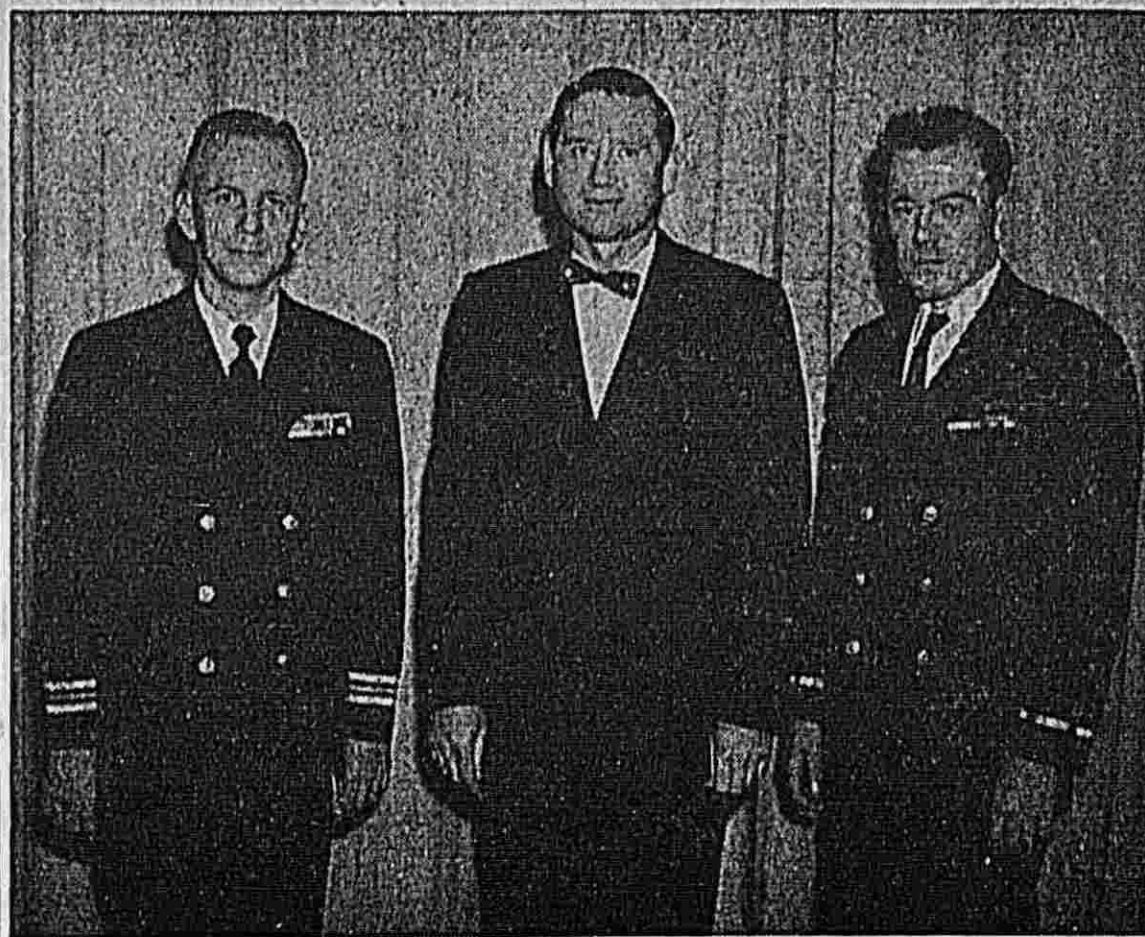

Dick Behrens, elevated to the varsity as guard, played a good game, but picked up four fouls at the start and saw but little action.

Ela-Vernon lost to Grant the same evening 50-40. Jim Buciak, Bear ace, who will be watched closely at Lake Zurich tomorrow night, was held to five field goals and ad 12 points by Grant guards. This spelled Ela's defeat.

# Navy's Top Music Director Visits in Antioch

Lt. Cmdr. J. D. McDonald, left, head of the music branch of the United States Navy, paid a surprise visit to the Great Lakes Naval Training Center band while it was giving a concert recently for Antioch Township High School students. He is in charge of the Navy's 44 bands and was in Chicago attending a band clinic when he decided to inspect the Great Lakes band. Also pictured are Principal A. L. Dittman, center, and CWP John H. Norris, right, Great Lakes bandmaster.

# Lindenhurst Ballot.....

(Continued from page 1)

Police Magistrate: Ray Caldwell of Old Elm Road, and John A. Selzer, Valley Drive.

The real battle for votes will be in selection of six members of the board of trustees, where there are no less than sixteen candidates in the race. They are Alex H. Bartling, William Thomas Baumgartner, Harold C. Behrendt, Theodore L. Brendall, Ronald R. Coles, Herbert W. Hanf, Sr., Craig Henderson, Paul R. Hunt, Eugene Johnson, Thomas R. McSorley, John F. Mulvihill, Ferris Ray Scharton, Vincent Singer, Helen Skelton, John Slove, and George W. Walby.

Lee R. Lewis, Commercial Artist, and a opponent of the incorporation of Lindenhurst, heads a complete slate of candidates and is conceded to have a good chance of election. Lowell Graves, a candidate for village president also heads a coalition of candidates, while not announced as a slate is believed to have a working agreement. At any rate, Lindenhurst will be off to a good start with a high percentage of the votes visiting the polls Saturday.

# Wilmot High Entered....

(continued from page 1)

schools: Ashland De Padua, Eau Claire Regis, Walworth, Prairie du Sac, West Bend, Green Lake Medford, West Salem, New London and Seneca.

## List Cast

Members of the cast and the parts they will play at the University of Wisconsin are: Douglas Mathews, Puck; Marvin Vincent, Theseus; Sandra Meeha, Hippolyta; Gilbert Amborn, Demetrius; James Ratcliek, Lysander; Elaine Brady, Helena; Heinz Kaiser, Quince; Robert Kramer, Philostrate; Glenna Eckert, Hermia; Charles Mathews, Pyramus; David Faerber, Thisbe; Le Roy Norstrom, Wall; James Coleman, Mooshine; John Lovely, Lion; and Carla Dankert, Flute Player.

The group is under the direction of Mrs. Mammenga with Jo Anne Posch as student director. The play's stage crew includes: Marge Weaver, Judy Kleebe, Barbara Loth, Lynn De Bell, Carol Franz and Veverly Rasch.

Kenneth A. Curran, Gashton, chairman of the forensic association board, will preside over the contest.

# Salvation Army Fund Drive Is Underway

The appeal for funds conducted annually by The Salvation Army Service Committee of Antioch is now underway, Robert J. Wilton, chairman, announced this week. Letters describing the campaign have been sent to Antioch residents urging their support.

The Service Committee serves as a representative of The Salvation Army in giving assistance to people in need in this area. This help will include aiding victims of fires and other disasters, providing food, clothing, fuel, furniture, lodging and other emergency services for persons in distress. Medical, dental, surgical and optical care is also provided where needed.

In addition to giving emergency and supplementary aid, the committee will also arrange for other traditional Salvation Army services such as hospitalization for unmarried mothers, rehilitation of Alcoholics and derelict men, vacations for needy mothers, children and golden agers at summer camp, work with prisoners and their families, aid to servicemen and hospitalized veterans, homemakers' service and family casework.

A portion of the funds raised in the mail campaign will remain with the treasurer of the committee, William E. Brook to carry out the

### Signs to Remind Motorists To Check Driver Licenses

Springfield, Ill., Dec. 3—One million printed reminders to check their drivers' licenses will be handed to Illinois motorists at major intersections between now and Christmas, according to Governor William G. Stratton and Secretary of State Charles F. Carpenter.

State Police under Governor Stratton and drivers license inspectors and automobile investigators from Secretary Carpenter's office

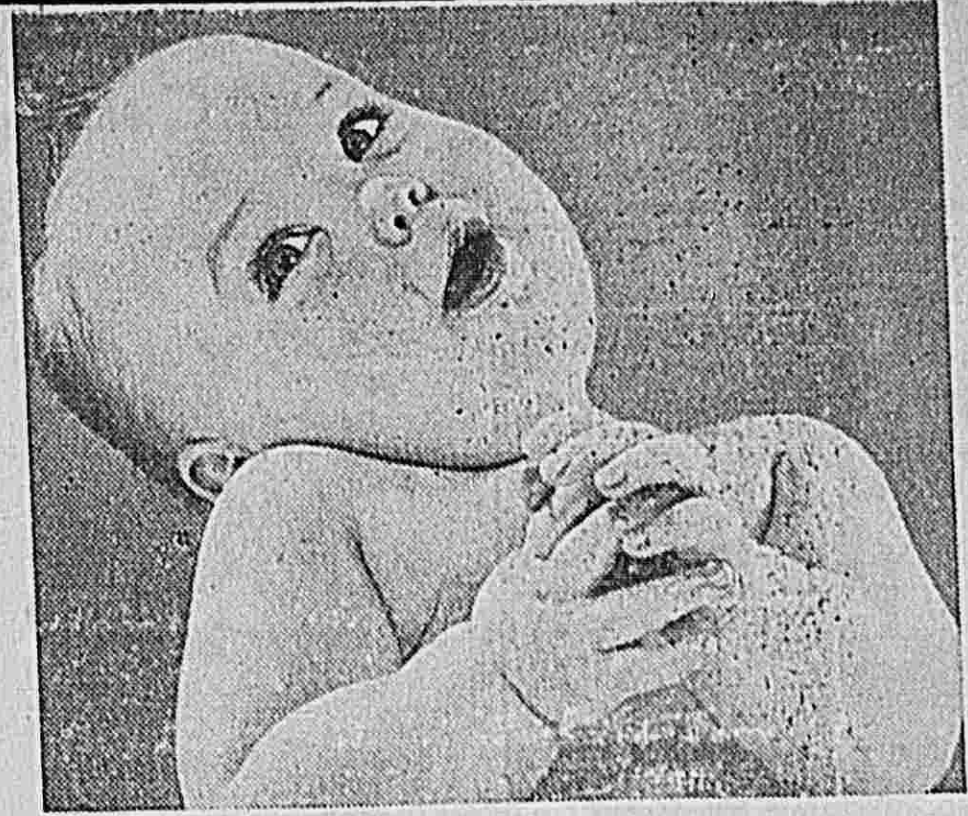

will distribute the notices at major intersections throughout the state. The program is the initial stage of state participation in the nationwide effort to "Back the Attack on Traffic Accidents," sponsored jointly by the President's Committee on Traffic Safety and the National Safety Council.

The notices will bear the semblance of a "Caution" road sign. The reverse side will urge motorists to check their own driver's license expiration date while also presenting ten safe driving tips.

Governor Stratton and Secretary Carpenter decided on the plan to

focus attention on the importance of a valid license. The notices will also serve as a reminder for personal responsibility in highway safety. Need for the program becomes imperative in view of the

shocking number of deaths during last years Christmas holidays. The program of increasing official attention on the elimination of principal causes of Illinois traffic accidents will continue through 1957.

## HEALTH TALK

### Good Health And Happiness

What are your plans for the approaching holidays to keep them happy and safe? Undoubtedly your shopping list is carefully made out, gifts and meals well thought out, but what have you done to assure the health and happiness of you and your loved ones, the Educational Committee of the Illinois State Medical Society asks in HEALTH TALK.

What have you done to avert tragedy during the coming holidays? Your Christmas tree will be one of the prettiest ever, but remember last year you had some trouble with the string of lights. You planned to have the wiring checked for safety, but did you? What about the electric switch that was always sputtering sparks? Fire is a vicious enemy, but that can be overcome through precaution.

Oh yes that rickety ladder! Remember it toppled a few times as you trimmed the tree last year and several times since when you used it to place things on high shelves. You've been lucky—you didn't fall. Better check the ladder. Broken bones are painful, so why not avoid them?

Fatigue is a holiday spoiler and one that you can sidestep if you plan your chores wisely. Your body is a wonderful machine that adjusts nicely to an increased pace of living, but why overload it? Hurry, crowded activity and tension contribute to fatigue. And forcing yourself to do more things, when you are already tired, helps to decrease your resistance.

What happens? You set yourself up as an easy target for the host of germs and viruses whose home is your body. They thrive on your fatigue. They invade, attack and spread. Infection runs rampant. You are the unwilling victim of colds, influenza, pneumonia, gastrointestinal upsets and a host of other conditions. But you asked for it by getting overly tired.

The giving of gifts is fun. Bestowing pleasure on others is delightful, particularly to children. But are the toys you selected the right ones? Are you sure that happiness will result when curious and eager little hands tear apart the packages you've wrapped so gayly? Have you avoided toys with sharp points and tiny removable

## Legible Addressing Assures Better Christmas Package Delivery

Addresses marked on gifts with a felt-tip pen are colorful, clearly visible and quickly read and appreciated by postal employees, assuring that your packages will reach their destinations on time.

Long a favorite with teachers, artists, store and office clerks, and businessmen, this felt-tip pen, called the "Flo-master," is ideally suited for writing, marking and drawing in the home. This versatile pen can write on any material . . . glass, wood, paper, metals, plastics, porcelain, cloth, rubber, etc.

Housewives can use felt-tip pens to address parcel post packages . . . write children's names on the inside of their boots and rubbers . . . identify contents of home-frozen food packages . . . mark boxes for storage . . . label preserves . . . mark linen and clothes . . . and put names on

birthday gifts and party favors. Their husbands use felt-tip pens for marking window screens and storm windows . . . marking hardware storage containers . . . initialing personal property, tools, etc. . . making maps . . . making business signs, charts or graphs . . . laying out do-it-yourself projects . . . color-coding pipes and house wiring . . . and a multitude of other uses.

Although you can use any one of eight colors (including black) that are available for this type of pen, it is suggested that you get a separate pen for each color that you expect to use—to avoid the necessity of cleaning before each color change.

Made of chrome-plated brass, and furnished with four interchangeable felt tips for different width lines, this felt-tip pen is a handy, useful household and workshop article. Available at stationery stores everywhere.

parts? Telling the child to be careful is not enough. Prevent an accident by buying a suitable and safe toy.

To keep your home safe and happy, check all possible areas for accident. Avoid falls by checking your stairs well. Are they well

lighted? Do you keep them free of toys and odds and ends that will cause someone to trip? Are your floors so highly polished that they encourage falls. Remember this type of accident is one of the most common and severe.

Now that you've checked your home for safety, what can you do to increase traffic accidents? If you plan to drive during the holidays, be sure your car is in good condition and allow yourself sufficient time to avoid haste. Heed traffic warnings, and if you're driving, don't drink. That last cocktail may be your undoing.

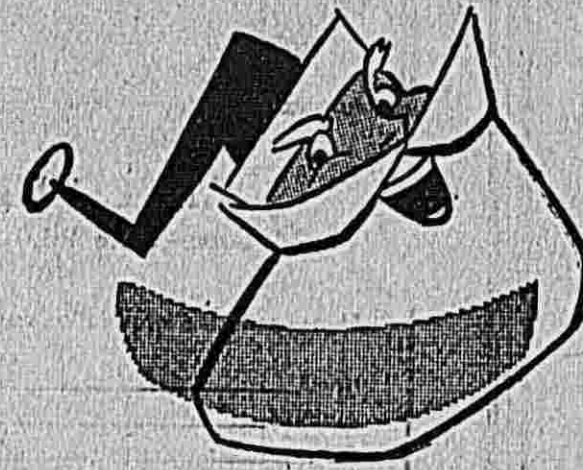

Use common sense. Wisdom is a priceless heritage. Its application will keep you safe. And now good health and happiness to everyone!

## What's it Got that Everyone's After?

WE figured folks would go for the '57 Buick—and big.

But we sure didn't figure *this*—the most rousing reception we've ever seen in all our years of selling new Buicks.

We're getting more enthusiastic talk—along with the signed orders—than ever before. And, neighbor, if you want to know *why*—listen:

This '57 Buick has that sleek low-sweep styling that today's moderns want—and it's here in extra-long measure, in the *lowest* Buick yet.

It has the room they want—for Buick's new wide-frame chassis permits a sports-car silhouette with *more* interior roominess than even last year's spacious Buicks.

It has newness everywhere, and newness that's *wanted*...

A smart new panoramic windshield of vaster dimensions and greater visibility.

The sweet, solid surety of a new "nested" ride. A brilliant new handling and cornering and levelized braking that come of an ingenious new ball-joint suspension. It even has the modern answer for today's driving—a new Safety-Minder\* that watches your miles-per-hour for you.

But even more important, this rakish sweep of automobile has a new kind of *instant* response—and that's the biggest reason for the soaring popularity of the newest Buick yet.

For here is performance—smooth as spun silk—unleashed by a totally new V8 engine 364 cubic inches big, and with the highest compression, torque and horsepower in Buick annals.

And here, to deliver that might, is the

power-pitch action of an advanced new Variable Pitch Dynaflo.\* A Dynaflo of such instantaneous obedience, such smooth and versatile control in "Drive"—the need for "Low" is virtually ended.

In all truth, you've never bossed a car so keenly alive, so smooth in motion, so solid in feel. It's ahead of its time, ahead of the industry—even ahead of your great expectations.

Come check up on all this for yourself. Come drive this shoulder-high sweetheart with the strong he-and-she appeal. Come be our guest—*today*.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional other Series.

## Lake Villa

Mrs. Fred Bartlett, Correspondent  
Tel. Elliot 6-4454

The V.F.W. Auxiliary Christmas party will be held Friday December 14 at 7:30 p.m. at the Lake Villa school gym.

It will be for all Post and Auxiliary members and the Lake Villa Fireman and their families are cordially invited.

Santa will present the kiddies with gifts and there will be refreshments for all, also prizes and entertainment.

A Christmas dinner will be held December 23 at the home of Mrs. Kathryn Johns for the following guest, Mrs. Bertha Block, Mrs. S. Ziner, Mrs. Pearl Rayerson, Mrs. Rose Garland, Mrs. Emerson and Miss Dorothy Emerson. They are from Des Plaines and Lake Villa.

Don't forget the Skate exchange and Auction to be held at the Lake Villa school gym Saturday Dec. 15, at 2 p.m. Anyone having skates to exchange may do so at this time. Annual Senior Band Concert will be held Sunday Dec. 16 at 3:30 p.m.

William Walker who underwent surgery at the Victory Memorial hospital 2 weeks ago is improving slowly.

Mr. and Mrs. Clifford Bartlett and daughter Susan, Mr. and Mrs. Bernard Schneider and family and Carol Bellefeuille and daughter Carla were guests Sunday at the Fred Bartlett home.

A group of Auxiliary members and their chairman Mrs. George

May will sponsor a Christmas party Tuesday December 11 for the Veterans, also cigarettes. Refreshments will be served at the close of the festivities.

Mrs. Bert Ray of Porter St., Waukegan visited the Fred Bartlett family last Friday.

Members of the Traffic Safety section of the Illinois State Highway police are attending a special training program being held this week at the state fairgrounds in Springfield.

Officers from each of the 14 state police districts will discuss municipal safety council developments, traffic safety work of Illinois cities, and the role of police in traffic safety education.

Police Superintendent William H. Morris recently sent a personal letter to all 600 highway police calling attention to the fact that while traffic deaths for the nation as a whole increased about 8 per cent for the first ten months of 1956 as compared to last year, Illinois has managed to hold such deaths to about last year's level. He urged the officers to work harder than ever for traffic safety during the remaining weeks of the current year.

Stepped-up traffic law enforcement is in line with recommendations of the National Safety Council and President Eisenhower's Committee for Traffic Safety. Governor William G. Stratton has endorsed the movement and promised full backing in making it work.

## NOTICE

To:

Nellie B. Carpenter, record owner of the real estate hereinafter described and her spouse, if any; Jack B. Carpenter, Jr. in whose name the hereinafter described real estate was last assessed for general taxes for the years of 1947 to 1952 both inclusive, and to all Unknown Owners or Parties interested in said real estate hereinafter described.

Take Notice, that on November 4, 1954 at a sale made by the County Treasurer and Ex-Officio County Collector of Lake County, Illinois, for General Taxes for the years of 1947 to 1952 both inclusive, in pursuance of a Decree entered on October 11, 1954 by the Circuit Court of said Lake County, Illinois, in the cause therein pending entitled: The People of the State of Illinois versus Lillie C. Goetsch et al defendants, General Number 60893 (being a suit for the foreclosure of the lien of the General Real Estate Tax) the undersigned Loren D. Sexauer and Mae R. Sexauer his wife, purchased the following described real estate:

Lots 39 and 40 in Felter's Southview Subdivision of part of the East half of Section 12, Township 46 North, Range 9 East of the Third Principal Meridian, according to the plat thereof, recorded July 21, 1926 as document 283117 in Book "Q" of Plats, pages 6 and 7 Lake County, Illinois.

That said real estate was last

assessed and taxed for General Taxes for said years of 1947 to 1952 both inclusive, in the name of Jack B. Carpenter Jr. That the time of redemption from said sale will expire on the 18th day of March 1957 by virtue of a statutory notice extending the time to redeem so as to include the 18th day of March 1957.

Dated this 27th day of November, 1956.

## JEWELRY...

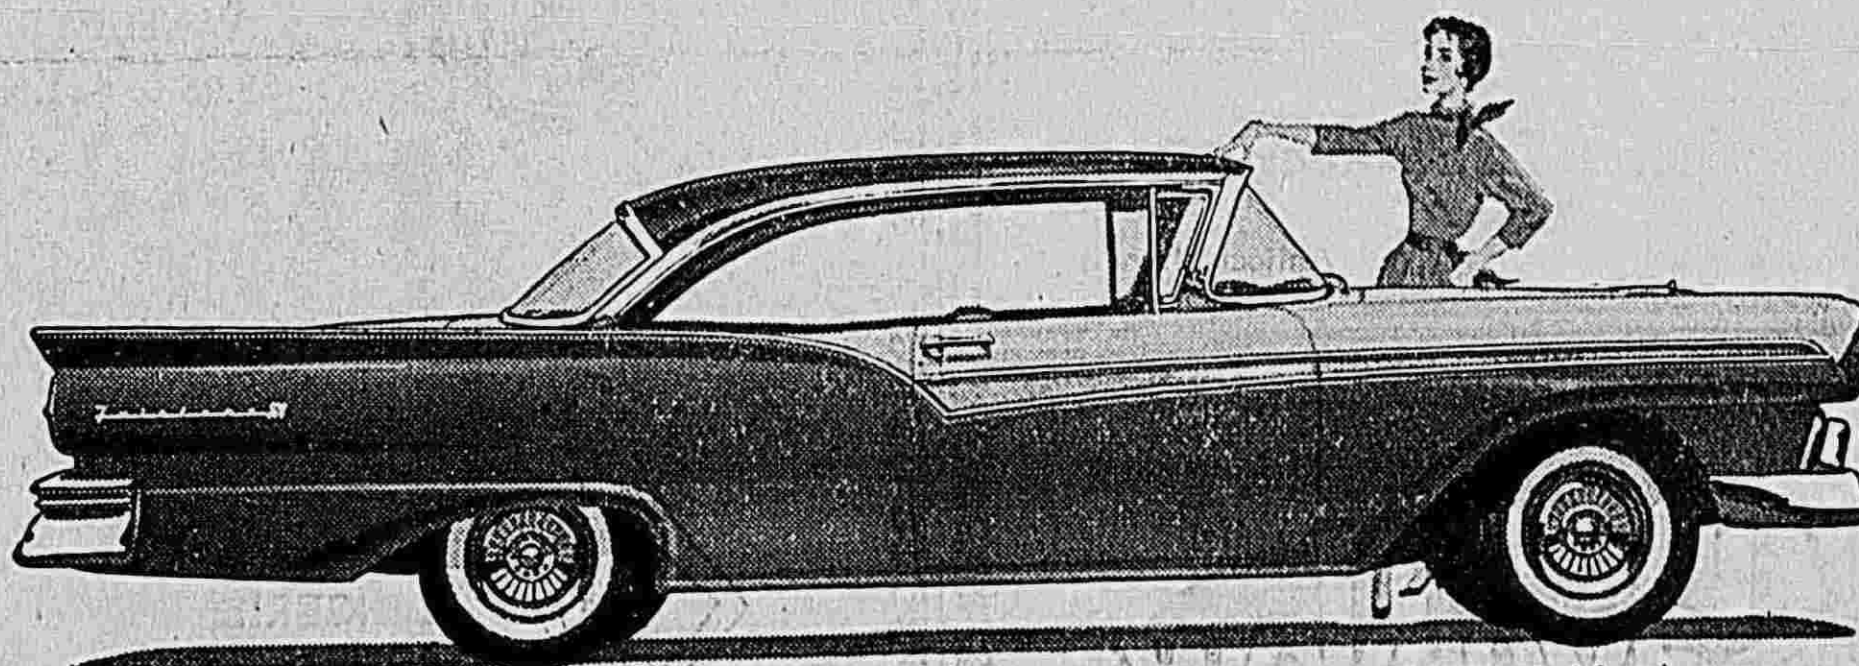

The Lasting Gift

*Keulman's*

913 Main Street

Antioch, Illinois

The exciting Ford Fairlane 500 Club Victoria (above)—over 17 feet long—is one of two new, bigger Ford sizes this year.

If you think it looks new...  
wait till you drive it!

...For there's where Ford's newness really pays off  
...In melting mountains...In smoothing the bumps  
...In straightening the curves

You can see that Ford's longer, lower Sculptured Look makes other cars look downright old-fashioned. But the part you can't see—the new "Inner Ford"—is what shows its stuff when you drive a Ford. It's revolutionary from the wheels up! And it feels it.

Ford's wider frame lets you sit sweet and low. And Ford's new front suspension, rear springs and new easy handling are part of the scheme to make you think every road is cloud-smooth.

The magic touch of the new Ford power plants makes mountains disappear. What looks like uphill feels like downhill. You get this surging power in a wide choice of Silver Anniversary V-8 engines. Or choose Ford's Mileage Maker Six, the most powerful Six in the low-price field.

There's magic in Ford's price tag, too! You won't believe this big new Ford is still priced Ford-low. But it is. Come in and test its magic. It's a real "Wizard of Ah-h-h-h's!"

### Extra Caution Needed During the Months With Shorter Daylight Hours

Beware of the dark days of December. More than 4200 deaths are expected on the nation's highways to make this the worst month in

the history of the automobile. This seasonal warning comes from Arthur S. Johnson, Director of the American Mutual Liability Insurance Company's Institute for Safer Living, who says that at this time of year especially, your eyesight and your common sense are your most important protection against accidents. "Visibility is at its worst," he emphasized. "Storms, heavy rain, snow and sleet make driving hazardous. To be a safe driver you must have a 'weather eye'. Added to this most workers commute to and from work in the dark."

In nearly one out of seven fatal accidents reported last year, the driver's vision was obscured. The

Holiday Season means more parties, more drinking plus more driving. There is more mental and physical fatigue caused by stepped up activities such as extra drinking, shopping and social affairs. Yule lighting on buildings and streets provides an extra roadside distraction. In many instances extra enforce-

ment personnel is not available for assignment to congested traffic areas. There will be hazardous road conditions in many areas.

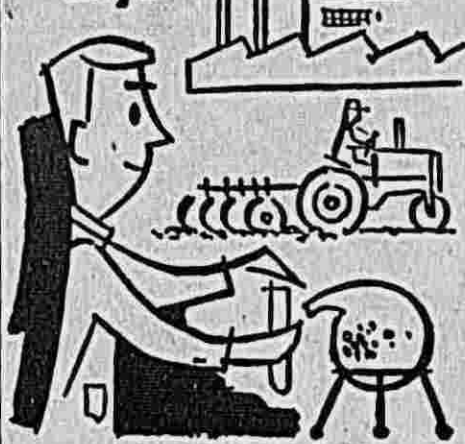

Bad parking practices are noticeably high, and hurrying pedestrians forget to watch their step. There are more inexperienced young drivers on the road, home for the holidays.

An often unsuspected cause of accidents at this season may involve increased use of medication due to colds. Such anti-cold drugs may make you too drowsy to drive, Mr. Johnson warned.

Be alert to all of these bad influences. Accidents multiply when motorists fail to apply the common sense driving practices needed to meet December's hazardous conditions.

From OLDS...  
Another Great Engineering Advance!

## WIDE-STANCE Chassis Design

Oldsmobile's pioneering advance in "ride engineering" brings to Olds a new, sweeping-low silhouette . . . an exciting new style that means new riding qualities, too! New smoothness! New stability! A wonderful new low-level ride! These are your thrills with Olds for '57 . . . and here's why:

The new Wide-Stance Chassis is sure-footed and stable with new Pivot-Poise Front Suspension and Counter-Dive for "on-the-level" stops. The new L-Bow Drive Shaft permits a lower center of gravity, without stealing head room. Outboard-mounted rear shock absorbers pave every road with pleasure! And an 8-inch-wider frame accents your riding comfort.

Here's your kind of performance, too . . . in a great, new Rocket T-400 Engine,\* where advanced engineering by Olds adds up to economy when you want it, power when you need it! Seventeen exciting models in three great series—Golden Rocket 88, Super 88, Starfire 98! Come visit our showroom now . . . see why Oldsmobile is the value-car of the year!

\*277 h.p. Rocket T-400 Engine standard on all models; special Rocket Engine, with up to 312 h.p. available at extra cost.

Guess who needs an automatic Dryer—  
and why should it be Electric?

The Electric dryer is  
fully automatic, fume-free, fast and thrifty!

Poor father! If they had an electric dryer he'd  
have a dozen clean, dry diapers by now. Baby-  
soft, clean-smelling—the way they always dry  
in an electric.

Nearest thing there is to sunshine. Electric  
heat is clean, dry, radiant heat. Fume-free. So  
everything you dry electrically comes out smell-  
ing sweet as clover.

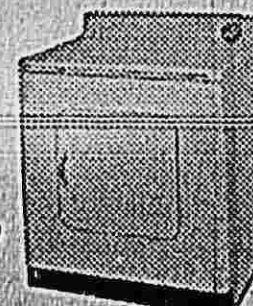

Electric dryers are all fully automatic, and  
just 6¢ worth of electricity will dry a big load.  
Take a look at the new electric dryers soon.  
You'll notice that all the "no-vent" dryers are  
electric. (So your laundry area stays clean, dry  
and comfortable.) Are you listening, father?

Big Saving—ask your dealer about  
our Share-the-Cost Installation Plan.  
It's the low-cost way to get the modern  
100-amp home wiring you need for  
today's electric living appliances.

If you own an electric range, you  
save up to \$25 on a new dryer! In  
fact if you have any 240-volt appli-  
ance your home probably has modern  
wiring already. This means the com-  
plete, installed price of your new elec-  
tric dryer will be less than any other kind.

Just 6¢ will dry a big load electrically!
